BERGEN COUNTY **UTILITIES AUTHORITY**
Box 9, Foot of Mehrhof Road, Little Ferry, New Jersey 07643

NOTICE TO BIDDERS

A NOTICE IS HEREBY GIVEN that sealed Bid Packets will be received by the BERGEN COUNTY UTILITIES AUTHORITY (AUTHORITY) on Thursday, August 20, 2026 at 12:00 p.m. prevailing time electronically to the Authority through the Euna E-Procurement platform, formerly Bonfire, accessible via www.BergenBids.com, under Solicitation Reference No. BCUA-26-C221R, in accordance with N.J.A.C. 5:34-5.5(a)(1). Bidding Documents shall be obtained using the Euna E-Procurement platform accessible via www.bcua.org/procurement-opportunities. These documents are available at no cost. Neither the Owner nor the Engineer will be responsible for Bidding Documents, including any addenda, obtained from other sources.

All bids will be opened electronically, and all bids shall be publicly unsealed and the names of all bidders and the price of their respective bids or proposals shall be verbally announced in public by the Authority once the submission deadline has passed, and no bids shall be received after the time designated in the advertisement in accordance with N.J.S.A. 40A:11-23b. Furthermore, within 24 hours of the opening, all bid responses will be available for download on the e-procurement portal.

CONTRACT No. C221 — COGEN No. 3 60,000 HOUR OVERHAUL PROJECT
Solicitation Ref. No. BCUA-26-C221-R1 (REBID)

The project requires the supply, installation, testing, and commissioning of a re-manufactured Jenbacher (INNIO) cogeneration generator (alternator and engine) to replace, in-kind, the existing Cogeneration Unit No. 3 — an INNIO (formerly General Electric) Jenbacher JMS 420 GS-N/B.L, 1419 kW, 4.16 kV, spark-ignited, turbo-supercharged, twenty-cylinder V-block unit. The elements of the project primarily include, but are not limited to, the following:

- Removal of the existing generator (alternator and engine), including all rigging and electrical and mechanical disconnections; the existing alternator shall be turned over to the Authority. The engine Block to be returned to successful bidder (the successful bidder is to factor in the “credit” for receiving the existing engine block)
- Installation of the re-manufactured generator (alternator and engine), including all rigging and reconnection of electrical and mechanical components.
- An upgrade of the existing controls to the DIA.NE XT4 lite control system.
- Overhaul of the existing gas trains and miscellaneous related items as identified in the project specifications.
- Commissioning and tuning of the generator on three fuel modes (100% natural gas, 100% biogas, and a blended combination) and in black start / island mode, including training of Authority staff.
- Refer to contract documents for a complete scope of work.

Bidders shall submit with the bid an electronic bid bond or electronic copy of a bid bond in the amount of ten percent (10%) of the total price bid, but not in excess of $20,000.00, payable unconditionally to the Bergen County Utilities Authority, along with a Certificate (Consent of

Surety) with Power of Attorney for the full amount of the bid price from a Surety Company authorized to do business in the State of New Jersey, and said Surety will furnish a consolidated Performance and Payment Bond in the amount of 100% of the successful Bidder's contract. If the Bidder is to submit a certified check or cashier's check: (1) the Bidder shall include an image of the check upon submission of its bid through the electronic platform in accordance with N.J.A.C. 5:34-5.3(f)(1); and (2) the physical check shall be sealed upon submission to the Authority and clearly marked as part of the Bidder's response in accordance with N.J.A.C. 5:34-5.3(f)(2) at the following address no later than the time stated above: BCUA Division of Purchasing, Foot of Mehrhof Road, P.O. Box 9, Little Ferry, NJ 07643 — ALL OTHER DOCUMENTS MUST BE SUBMITTED ELECTRONICALLY.

CONDITIONAL BONDS SHALL BE REJECTED

In accordance with N.J.A.C. 5:34-5.3(e), any addenda will be transmitted to the Bidders through the Euna E-Procurement platform in lieu of the method of delivery otherwise required under New Jersey law, including N.J.S.A. 40A:11-23.

Bidders shall comply with the requirements of N.J.S.A. 10:5-31 et seq. and N.J.A.C. 17:27 et seq., which include requirements regarding affirmative action.

Bidders shall comply with the "Prevailing Wage Act," N.J.S.A. 34:11-56.25 et seq., and the Public Works Contractor Registration Act, N.J.S.A. 34:11-56.48 et seq. To the extent the work constitutes "public work" under the Act, the Contractor shall pay the New Jersey State prevailing wage rates.

In accordance with the provisions of N.J.S.A. 58:11B-26, N.J.A.C. 7:22-3.17(a)24 and 4:17(a)24, the contractor (subcontractor) shall comply with all the provisions of N.J.A.C. 7:22-9.

Any business whose name appears on the WALL (Workplace Accountability in Labor List) is prohibited from public contracting under N.J.S.A. 34:1A-1.16, the law establishing the WALL. Copies of the list may be obtained from the New Jersey Department of Labor and Workforce Development, Division of Employer Accounts.

A Pre-Bid meeting and walk through is not required, however, if one is requested, please contact Thom Chaiket, 24-hours prior, via email at tchaiket@bcua.org to schedule. Any individuals visiting the site must bring their own personal protection equipment ("PPE") which must include, at a minimum, hardhats, safety vest, safety boots, and gloves. The BCUA will not provide PPE.

Sealed bids for this project are being solicited through a fair and open process in accordance with N.J.S.A. 19:44A-20.4 et seq.

By Order of the Bergen County Utilities Authority

Erick Martinez, QPA
Purchasing Manager
