## PUBLIC HEARING NOTICE

On September 28, 2023 The Bergen County Utilities Authority, the agency responsible for the implementation of the Bergen County Solid Waste Management Plan, as amended, shall hold a public hearing relating to a proposed amendment to the Bergen County District Solid Waste Management Plan.

The hearing shall be held on September 28, 2023 at the Borough of Oakland, 10 Lawlor Drive, Oakland, New Jersey, 07436, at 1:30 PM in the Municipal Court/Council Chambers. A draft copy of the proposed Amendment will be available after September 8, 2023, at The Bergen County Utilities Authority Administration Building, Foot of Mehrhof Road, Little Ferry, New Jersey and the Bergen County Utilities Authority web site at [www.bcua.org](http://www.bcua.org).

The following proposed Plan Amendment will be considered:

The Bergen County District Solid Waste Management Plan is hereby amended to incorporate the Oakland Materials, LLC Class B Recycling Facility, Block 5, Lot 103, 342 West Oakland Avenue, Oakland, New Jersey 07436. Expressly subject to the permits, approvals, consent orders, registrations and/or certificates issued by the governmental subdivisions/agencies exercising jurisdiction, said Facility shall be permitted to accept up to a maximum daily facility capacity of 900 tons per day of Class B Recyclables and a maximum weekly facility capacity of 4,500 tons per week of Class B Recyclables. Class B Recyclables shall be limited to those materials as detailed in N.J.A.C. 7:26A-1.3.

The Bergen County Utilities Authority shall hear all persons interested in the proposed Solid Waste Management Plan Amendment and shall consider any and all comments or written objections that may be filed and any evidence which may be introduced in support of the objection, or any opposition to the adoption of the Solid Waste Management Plan Amendment, for the Bergen County Solid Waste Management District.
