# Public Notices

## Pre-Bid Meeting Clarification

*Gerald Reiner Jr., Nov 08, 2023 2:09 PM EST*

1. People are having issues downloading and filling out the forms. They are stating that the forms aren't fillable. Answer: All forms are available; however, you may have to fill them out manually and re-scan them in.
2. What is the letter of agreement – is this a form supplied by BCUA to be completed or do they submit their own form that they develop. Answer: The letter of agreement is to be done by the firm to show that they are willing to abide by the solid waste plan.
3. Since a company can only have one Bonfire login, if there are multiple companies owned by one company does the parent company complete the info on bonfire and does each separate company have their own agreement. Answer: A parent company with many entities or sites can submit as many completed packages as they need to. You can upload as many Management Questionnaire's as you need to. The system is supposed to allow multiple files. A firm only needs to submit one ownership disclosure.
4. If a company wants to submit after December 1, what is the procedure, and if all is done correctly, how long will it take for plan inclusion. Answer: At this point no submissions will be received for this solicitation period beyond the close date. If and when the BCUA decides to extend submissions out we will re-advertise in accordance with the LPCL. A name change or change of beneficial owner previously submitted will be allowed to be amended.
5. They asked for clarifications regarding the forms that need to be submitted. Answer: All forms are required which are stipulated as required.

## Notice of Addenda 1

*Gerald Reiner Jr., Nov 13, 2023 3:54 PM EST*

Addenda 1 has been issued responding to questions asked through the Bonfire platform. Also we are including a version of the questionnaire as a single file.

## REMINDER
